Sir,

Subject Payment of the bill of Mohan Press for printing of Municipal Election Rolls
===

Adverting to Government Notification No L 17800-CM 32-52-7 dated 17/19th Jan 1953 directing that the Mysore City be divided into 40 divisions and G O No L 7279-80 CM 3-33-81 dated 22-9-1953 approving the payment of printing charges of municipal election Rolls at the rates allowed for General Election Rolls, I write to state tha as under

As the term of the Municipal Council extended by notification No L 13981 CM 31-52-7 dated 20-10-1052 for a period of three months from 1-1-53 had to expire on 31-3-53, the election rolls had to be got printed and published according to the programme drawn up by 22-1-1953 in connection with the Municipal Election that had to be held before 31-3-53 As there was hardly 3 or 4 days' time, the manuscripts of 40 divisions were distributed among the several printers in the City and the progress of printing watched daily It was found that Messrs Mohan Press who were entrusted with the printing of the Election Roll of III division, had not much satisfactory progress Hence it was necessary to take away some portion of the Manuscripts given to them and give it to another press Srikanteswafa Press, who printed it in time (3½ pages) Still the progress made of Mohan Press in respect of the remaining pages was found very slow and it was got done under pressue by the evening of theday previous to the date of the preliminary publication But on verification it was found that the last ten pages out of 29½ pages printed by them, were incorrectly printed both in respect of names and serial numbers

2

Attempts were made to make use of the same by pasting the correct serial numbers etc But it was not possible to do so As the publication and sale of such incorrect election Rolls would lead to confusion and complication, this material had to be re-printed The work was entrusted to a Press (Vinayaka Press) whose work was found good and who printed promised to do it overnight Of the total number of 33 pages of the III Division, 29½ pages were printed by Mohan Press of which 10 pages were found useless and these 10 pages were reprinted by Vinayaka Press and the last 3½ pages were printed by Srikanta Press

Bills were received from Messrs Mohan Press fof 29½ pages, from Vinayaka Press for 10 pages and Srikantha Press for 3½ pages of printing matter As 10 pages of Mohan Press were useless, their bill was passed for only 19½ pages, and the bills of the two other presses were also duly paid

The Proprietor, Mohan Press, represented that the delayed and incorrect printing was due to the hurried nature of the work, which was further complicated by frequent and unexpected disturbances in the electric supply during the period He also stated that he employed extra labour for the above work and reduction of his claim would work as a hardship

The Managing Committee and the Council examined the prayer of the firm in detail They found that within the short time at the disposal and the disturbances in the electric supply on account of frequency conversion work then in progress, it was rather difficult for a press like the above to get through the work satisfactorily in a short time, and it would be hard, if for what happened due to reasons beyond their control, the claims of a small press were disallowed In these circumstances, the Council have resolved to sanction the payment of the printing charges of the ten pages which were spoiled

I enclose a copy of the resolution and request that orders of Government may kindly be obtained to make payment of a sum of Rs 60/- in respect of ten pages as a special case

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner
